## Updated Screen Printing Kits and NEW Aluminum Screens & Squeegees

*Lightweight, no-warp aluminum now available*

Healdsburg, CA (September 16, 2019)

Jacquard's [Screen Printing Kits](#) have been upgraded to include professional-quality **aluminum** framed screens & squeegees. These precision-made tools replace the less durable, warp-prone and much heavier wooden screens and squeegees previously included in the kits. Jacquard is proud to now offer a the lightest weight, most economical aluminum framed screens on the market.

With new graphics featuring artwork by celebrated illustrators [@Gentlethrills](#) and [@WeAreBrainstorm](#) on the re-designed packaging, Jacquard Screen Printing Kits are sure to appeal to creatives of every sort. They come with everything a novice printer needs to get started: screen, squeegee, diazo photo emulsion, four colors of professional-grade ink, and detailed instructions.

**Each Screen Printing Kit includes:**

- 4 colors of [Jacquard Screen Ink](#)
- [Photo Emulsion & Diazo Sensitizer](#)
- acetate sheets
- pre-stretched [silk screen](#) with an aluminum frame (inside dimension of 12"x16")
- aluminum handled [squeegee](#) in the corresponding size

**Aluminum Silk Screens & Squeegees are:**

- lightweight, strong and economical
- made from top quality, 20x30x1mm, hollow aluminum alloy stock
- anodized for maximum strength and durability
- 110 white mesh
- built to last
