iDye Now Available in Bulk Sizes *Jacquard Products Introduces 1 lb. Jars of iDye*

Healdsburg, CA (December 2010) - The ultimate way to get gorgeous color just got bigger! Jacquard Products' popular iDye is now being sold in bulk sizes for large dye projects and commercial dyeing. Just add fabric, iDye and salt or vinegar to a washing machine or in a pot on the stovetop for easy, rich and vibrant color. One pound jars are now available in 10 colors for iDye for natural fabrics (for cotton, silk, rayon and linen) and 8 colors for iDye Poly (for polyester and nylon). Jacquard is also offering a 16 oz. size of iDye Poly Color Intensifier (for dyeing deeper colors on polyester).

The original iDye comes in a 14 gram packet that dissolves in water. A single iDye packet will dye 2-3 pounds/1-1.3 kg of fabric and is offered in 30 brilliant colors for natural fabrics and 8 colors for polyester and nylon. Also available: Color Remover (which removes or lightens a color and brightens whites) and Sun Blocker (added to the wash cycle permeates the clothing fibers and will block harmful UV rays).

About Jacquard Products

Rupert, Gibbon & Spider, Inc. has been manufacturing high-quality textile art supplies for almost 30 years under the brand name, Jacquard Products. Product lines include 17 types of pigment products with over 500 available colors. Jacquard produces textile art supplies (fabric paints, dyes, waxes, pigment powders and high quality craft kits) for the fine art, craft, toy and specialty markets. All of Jacquard Products' dyes and paints are manufactured in the U.S.A.
