SILK LIST

COMPARE PRICES, SERVICE AND QUALITY

FALL 2016

Some Notes About Our Fabrics...

- Sizes of Fabric and scarf measurements may vary.
- It is recommended, but not necessary, to pre-wash fabric before dyeing. Since conditions vary please evaluate the benefit before production.
- For those who buy in quantity, we are happy to provide special price quotes.
- **Ask what's in our remnant box, for super bargains.**
- Bolt lengths vary...we bill you only for actual yardage shipped. Most bolts are about 50 yards.
- Silk widths and scarf sizes are approximate and fabric may vary slightly between shipments.
- Sorry, we can't guarantee selvages.
- Pricing subject to change.
- **Refunds will not be given on cut fabrics** except those that are defective - all defective material must be returned prior to issuance of credit.
- In the event that you need to return bolt fabric or scarves, please call us prior to washing, dyeing or cutting, and within 30 days of invoice date.
- The abbreviation "mm" stands for momme (rhymes with tummy) and is a measure of fabric weight. 1mm = 3.62 grams per sq. yard, so an 8mm fabric weighs 29 grams (1oz.) per sq. yard.

Shipping, Payment & Returns...

Payment: All orders must be prepaid by Mastercard, Visa, Cashier's Check, or Company Check. All payments should be made in US. funds. There will be a \$20.00 service charge for all returned checks. Terms available upon credit approval.

Shipments: Minimum order is \$20.00. Minimum yardage cut is 1 yard. We try to ship all orders within 2 business days of receipt. All orders are shipped ground unless other means are requested. Fed Ex and UPS offer expedited shipping such as Overnight, 2nd Day and Three Day services. Shipping and damage claims must be reported within 15 days of delivery. Certain restrictions apply to shipments outside the US.

Returns: No returns on cut yardage or swatches. Before returning any item, please call the Return Department for a return authorization number. Returns may be subject to 15% restocking fee. No returns are accepted after 30 days. Customer is responsible for all shipping charges for "return to shipper" packages.

Please call (800) 442-0455 if you have any questions about your order.

Silk Fabrics

Item # Description Price 5 Yards & over Bolt

Popular Silk Noil Also called "Raw Silk". Woven in a natural color with darker, nubby spots, this is a combination of matte, rough finish and muted luster. Its soft, nubby texture is wrinkle resistant, contemporary and classic. Used for everything because it is easy to care for and colors beautifully. Makes wonderful suits, jackets and pants.

5099441	Silk Noil 44" Natural 33.5mm	6.03	5.42	4.60
---------	------------------------------	------	------	------

Silk Satin These are characteristic satins with a tight weave. One side has a shiny, buff surface while the other side is matte.

1512451	Silk Satin 12mm 45"	14.09	12.68	10.78
---------	---------------------	-------	-------	-------

Silk Satin Twill Like silk satin but with a twill weave. Does not wrinkle easily. Usually used for ties, scarves and linings. Good for belts, button covers and applique.

1512452	Silk Satin Twill 14m 45"	11.41	10.27	8.73
1514551	Silk Satin Twill 14mm 55"	14.09	12.68	10.78

Silk Dupion Our most popular silks for wedding gowns, dupion has tight weaves and subtle, irregular slubs. Dupion has a moderately crisp drape and falls into wide cones. Decorators and designers love its quiet luster, lofty fullness and elegant feel. The Indian Dupion has a particularly luminous quality and a great deal of body.

5099456	Chinese Dupion 19mm 45"	16.81	15.13	12.86
