JACQUARD PRODUCTS INTRODUCES UNIQUE CAMO TIE DYE KIT

Healdsburg, CA (May 2010) – Inspired by tie dye’s recent resurgence in popularity, Jacquard Products, the leading supplier of high-quality tie dye kits, has developed a series of exciting new kits. Creating a true camouflage look using the tie dye technique has, until now, been tricky with inconsistent, unpredictable results. The tie dye experts at Jacquard Products have created an easy-to-use Camo Tie Dye Kit to make things easier. Their three-color Camo Tie Dye Kit features a special dyeing process using the same high-quality materials found in all of Jacquard’s professional products.
