Silk Screening Simplified

Exciting New Screen Printing Kits from Jacquard Products

Healdsburg, CA (July 2010) - Jacquard Products has introduced two new screen printing kits featuring Jacquard Screen Inks that will appeal to beginners and professional screen printers alike. The Semi-Transparent Colors Screen Printing Kit is designed for printing on light backgrounds. The Opaque Colors Screen Printing Kit is designed for printing on dark backgrounds. These superior-quality inks have longer open time in the screen in comparison to other water-based products making them perfect for small production runs. They are ideal for use on most porous and non-porous surfaces such as: fabric, vinyl, metal, leather, paper, wood, plastic, canvas and more...the possibilities are endless!

Each kit includes:

- 10"x14" pre-stretched silk screen with lacquered wood frame
- 9" wood handled squeegee
- 4 - 4 oz. jars of Jacquard Professional Screen Inks
- 4 oz. photo emulsion
- 1/3 g diazo sensitizer
- 3 acetate sheets
- Stir stick
- Instruction booklet in 3 languages (English, Spanish, French)
