NEW!

Piñata Class Pack

Experience the vivid colors and stunning effects of alcohol inks

Now available in a Class Pack!

Healdsburg, CA (June 25, 2018)

When Jacquard launched [Piñata Colors](#) in 2002, alcohol inks were virtually unheard of. Since then, these unique inks have become extremely popular, especially among artists working on hard surfaces like tile, metal, glass, plastic, stone, leather, polymer clay, etc.

Jacquard is proud to announce a new CLASS PACK that makes it easy for LARGE GROUPS to experience the unique joys of working with ALCOHOL INKS!

Painting with alcohol inks on [YUPO®](#) is a great activity for any age group of every artistic level. It is an extraordinarily freeing medium that is practically guaranteed to unleash the creativity inside. So, let it flow! After experiencing the unique ways alcohol inks interact on the YUPO® surface, you'll understand why we call them Piñata Colors--no other medium is more exciting and able to make your paintings POP!
