## All-Inclusive, Acid Dye Starter Set Encourages Vibrant Color!

Healdsburg, CA (June 11, 2014) - Get ready to experience the most brilliant colors possible! All the dye and chemicals you need are in Jacquard's new [Acid Dye Starter Set](#). This set includes four colors of Jacquard's [Acid Dye](#), that can be mixed to produce practically any color in the spectrum,

and [Citric Acid](#) to help fix the dyes and exhaust the dye bath. Acid Dye works best on protein fibers like: wool, cashmere, alpaca, feathers and silk. You may use the stove top method or dye right in your washing machine! [Click Here](#) for instructions. Bring the fabric and let the color magic begin!

In addition to yarn or garment dyeing, Jacquard's Acid Dyes may also be used for painting or printing applications (using steam setting).
