A NEW Way to Create Piñata Masterpieces!

NEW! Item JAC9955
Piñata Masterpiece® Set
SRP \$21.99

Healdsburg, CA (October 7, 2019)

Working together, Jacquard Products and Masterpiece® have created a powerful new alcohol ink set!

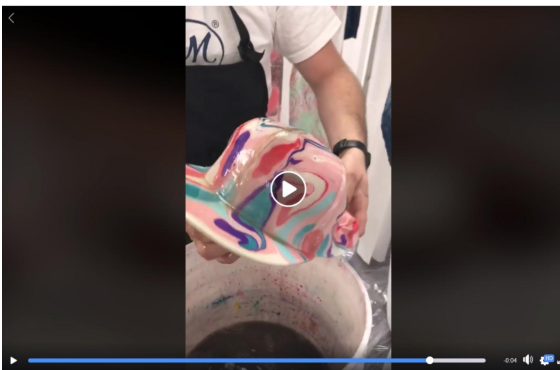

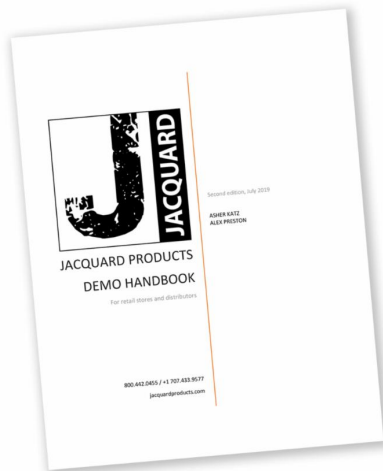

The **Piñata Masterpiece® Set** combines four of Jacquard's exciting NEW Piñata Colors (Coral, Golden Yellow, Teal, & Copper) with three of Masterpiece's groundbreaking, NEW double-sided Alcohol Ink Art Panels™ (5" x 7").

- The vibrancy of [Piñata Alcohol Ink](#) is accentuated when applied onto the unique, lightly-textured surface of [Masterpiece® Alcohol Ink Art Panels™](#).
- The warp-resistant and double-sided panels extend open time for the inks, and the inks don't spread as freely on the surface; therefore, artists have more control than ever!
- A subtle pearlescent shimmer adds depth to the finished piece, due to the slightly reflective surface of the panel shining through the ink.

When it comes to alcohol ink sets, there simply couldn't be a more synergistic combination!
